- MySQL
- MongoDB

EDUCATION

Bachelor Of Technology (IT) ITM

2019 – 2023 | Gwalior

PROFESSIONAL EXPERIENCE

Software Engineer

Xelpmoc Design And Tech Ltd.

Dec 2022 – Mar 2024 | Bangalore

- Developed and maintained codebases for both internal and client-specific websites, utilizing Next.js, React.js, Redux Toolkit, and JavaScript, while incorporating design frameworks such as Material UI and Tailwind CSS.
- Conducted comprehensive manual testing across diverse browsers and mobile devices to guarantee seamless cross-browser compatibility and optimal responsiveness across platforms.

Full Stack Developer Intern

Xelpmoc Design and Tech Ltd.

Aug 2022 – Dec 2022 | Bangalore

- Contributed to a US-based industry project using React.js and Redux Toolkit, leading the development of new features from inception.
- Conducted thorough unit testing and successfully delivered projects within specified deadlines.

Full Stack Developer Intern

Aurbitus

Jan 2022 – Mar 2022 | Gwalior

- Built a M.E.R.N Stack project from scratch for Service Point India (SPI), a client in the MLM industry. Designed an e-commerce layout and led a 2-member team throughout the project lifecycle.

Full Stack Developer Intern

Numeric Infosystem Pvt. Ltd.

Jul 2021 – Nov 2021 | Gwalior

- Implemented CRUD (Create, Read, Update, Delete) operations using Node.js for both the Student Marksheet Management System and the Product Management System.

PROJECTS

INTEAM

- Developed a Next.js-based web application for exploring and purchasing subscriptions for sports facilities and academies, featuring streamlined searches and detailed information.
- Implemented a CRM dashboard using the Fuse Template React for efficient management of user data, listings, subscriptions, and administrative tasks.
- Tools used : Next.js, React.js, TailwindCSS.

REVENUE RECONCILIATION (SKS)

- Developed a React.js and Chakra UI-based dashboard for managing invoices, worksheets, and data, featuring advanced management tools and upload functionalities.
- Utilized Redux Toolkits for optimized state management and seamless worksheet exporting, prioritizing error handling for enhanced system reliability and user experience.
- Tools used : React.js, Redux.js Toolkit, Chakra UI.

PALETTEEDU

- Developed a React.js and Chakra UI-based dashboard for managing invoices, worksheets, and data, featuring advanced management tools and upload functionalities.
- Utilized Redux Toolkits for optimized state management and seamless worksheet exporting, prioritizing error handling for enhanced system reliability and user experience.
- Tools used : React.js, Redux.js Toolkit, Material UI.
